

STEM CAREER AND COLLEGE CONFERENCE

WHO: 7th-12th grade students and parents
WHEN: Saturday, November 2, 2013
WHERE: McKinley Technology High School - 151 T Street NE, Washington, DC 20002
HOW: To RSVP visit www.twfstem.eventbrite.com
TIME: Registration begins at 8:30 a.m. Program is from 9:00 a.m. to 2:00 p.m.
INFO: Please call 202.544.6549

STUDENTS:

Interested in a career in Science, Technology, Engineering or Math (STEM)? Join the Tiger Woods Foundation at our STEM Career Conference for a half-day of hands-on specialized instruction, offering a range of career and college preparation workshops. Come learn more about various industries in these fields and discover possible career paths!

STUDENT WORKSHOPS INCLUDE:

- Graphic Design: Fusing Art and Technology
- Only in FX: An Introduction to Sound Effects
- Exploring Chemical Reactions

FREE!

ALL PARENTS AND 7TH–12TH GRADE STUDENTS ARE INVITED.
CONTINENTAL BREAKFAST AND LUNCH WILL BE SERVED.
PLEASE RSVP BY **WEDNESDAY, OCTOBER 30, 2013.**

PARENTS:

Parents are also invited to attend the STEM Career Conference and learn how to support students in their desire to pursue college in preparation for a STEM career. There will be a customized track of concurrent workshops for students and parents.

PARENT WORKSHOPS INCLUDE:

- Parents' Guide to Paying for College
- STEM Careers and the College Search
